HELLO!

I am a VIRUS, cousins with the Flu and the Common Cold

My name is Coronavirus
I love to travel...

and to jump from hand to hand to say Hi.
Have you heard about me?

Yes  No

And how do you feel when you hear my name?

Relaxed  Confused  Worried
Curious  Nervous  Sad
I can understand you feel...

[Blank drawing]

Draw it here

...I would feel the same way.
Sometimes adults get worried when they read the news or see me on TV.

THAT’S ME!
But I am going to explain myself...

So you can understand...
When I come to visit, I bring...

Difficulty breathing

Fever

Cough
But I don’t stay with people for long, and almost everyone gets better

Just like when you get a scrape on your knee and it heals
Don't you worry!

The adults who take care of you: ________________________________

will keep you safe
And you can help...

1. By washing your hands with soap and water while singing a song.

You can sign your favorite song, the happy birthday song, or the alphabet song.

2. By using hand sanitizer and letting it dry on your hands.

Without moving them count to 10:
1, 2, 3, 4, 5, 6, 7, 8, 9, 10.

Once your hands are dry you can get back to playing!!
If you do all that I will not come to visit

while the doctors work to find a vaccine that will allow me to say hi without getting you sick.
THE END
